Analyst Team of the Year

BOBI AWARDS 2025

Awarded to the team of analysts who best showcase their skills in turning complex datasets into an interactive, engaging report that tells the story within the data

Sponsored by

14FOUR ANALYTICS

"At 14 Four Analytics, we are passionate about turning raw data into meaningful information and the BOBI Analyst Team of the Year Award gives teams the opportunity to do just that. It's important that analysts have a chance to demonstrate their skills and get the recognition they deserve as, many times, the nature of their roles prevents this. This is why we are proud to support this award for the second time."

Winners' Statement

"We would like to thank the BHBIA and the 14 Four Analytics sponsor; it was an honour to participate in this competition. What a fantastic opportunity to challenge ourselves, explore new data and combine our individual skillsets to achieve the final result together."

The judges said:

"This year's winning team delivered a standout analysis that revealed a clear and compelling link between healthcare funding and patient satisfaction. Their insights were data-driven and thoughtfully presented, leading to a well-supported conclusion about regional differences in care quality."
